

Thanet Astronomy Group

Astronomy for Everyone in Plain English

Agenda 023

Date 2 April 2016

Time : 7:30 Start

7:30pm Doors Open

7:45pm Welcome and Notices - Gill Palmer

Thanks and Updates

8:00pm Update on Tim Peake and the ISS – Gill Palmer / Steve

Gill - A short talk / discussion on and about our own Tim Peake and the ISS

Steve - A short talk on talking to the ISS

8:15pm Stellarium and the ISS Danny

Tonight will be '**a how to locate the ISS**' using **Stellarium** and with the web site www.heavens-above.com

8:30pm Break Time

Comfort Break: The Cafe will be staffed and Teas, Coffees, Snacks etc. will be available.

9:00pm Star Hopping George W

Another one of George Ward's amazing star hopping sessions.

Tonight George will help you with the '**What's in the sky this month**' (page 14 & 15 Newsletter 17 April 2016. He will be looking at locating the constellation Hercules and the Globular Cluster M13. As well as other objects.

9:30pm Viewing ? If Clear

If the sky is clear we will go outside and have a look at Orion & M42, Pleiades (our logo) and, if we are lucky, The ISS and The Galaxy Andromeda !

10:00pm Home Time

We look forward to helping you achieve all your Astronomy goals.

Danny D - George W - Gill P

We are extremely grateful to Alan and Kate for the kind support they have shown us in providing a venue for our group at

West Bay Cafe, Sea Road, Westgate-on-Sea, CT8 8QA.
