

Thanet Astronomy Group

Astronomy for Everyone in Plain English

Agenda 027

Date 3rd August 2016

Time : 8:00 Start

8:00pm Doors Open

8:15pm Welcome and Notices - Gill & Sheila

Thanks and Updates

8:30pm Presentation on the Juno Mission – Gill

Juno's principal goal is to understand the origin and evolution of Jupiter, and this will help us understand the formation of our solar system and therefore systems around other stars.

9:15pm Break Time

Comfort Break: The Cafe will be staffed and Teas, Coffees, Snacks etc. will be available.

9:30pm Satellite Transmission – Steve

Steve will be attempting to use the HAM Radio system to pick up and listen to any Satellite Radio signals that are available, and will give a short talk on the subject.

9:45pm Star Hopping and Persides Meteor Shower – George W

Once again we have one of Georges amazingly helpful Star Hopping talks

Followed by a second talk on the Persides Meteor Shower

10:00pm Home Time

We look forward to helping you achieve all your Astronomy goals.

Danny D - George W - Gill P

We are extremely grateful to Alan and Kate for the kind support they have shown us in providing a venue for our group at

West Bay Cafe, Sea Road, Westgate-on-Sea, CT8 8QA.

Note :- Persides Viewing Evening 11th , 12th or 13th August 2016

Date to be decided according to the weather.
