8:30pm 3 Years at West Bay Cafe Celebration

Today is the celebration of our 3rd year at West Bay Cafe.

We have planned an informal social evening with tea, coffee and CAKES !!!

We were hoping (and the forecast is looking good) to have a **Stargazing Party**.

Everyone is welcome to bring their telescope.

To start with we will be looking at Mars, Saturn and the Moon.

The Cafe will be staffed and Teas, Coffees, Snacks etc. will be available.

Then we will then look at the constellations of Cassiopeia, Andromeda and Pegasus.

To finish off we looked at the deep sky object, the Andromeda Galaxy.

10:00pm Home Time

We look forward to helping you achieve all your Astronomy goals.

We are extremely grateful to Alan and Kate for the kind support they have shown us in providing a venue for our group at

West Bay Cafe, Sea Road, Westgate-on-Sea, CT8 8QA.
